PROJECT SUPPORT SERVICES, INC.

Skilled/General Laborer

Project Support Services (PSS) is seeking to hire 30-40 Skilled and/or General Labor professionals with prior Military status and/or General Labor Shipyard Workers, and/or Hands-On Mechanical or Electronics People. In this role you will receive hands-on classroom and on the job training. Candidates who are mechanically inclined are a big plus. The work will require physical strength, stamina, and good organizational skills. Hours can be long and irregular, potential for working on your feet (standing) for an 8-hour shift. Crewmembers may be exposed to the spring and summer HOT weather. In this role you will travel away from home for a period of 10-20 weeks at a time. Crewmembers must show experience or a comfort level with being away from home. Daily per diem provided. Hotel and Flight expenses covered by company. **Pay rate: \$15.50 + \$1.50 (Completion bonus) = \$17.00/per hr. + Per Diem.** (Overtime available on a case-by-case basis.)

Project Start Date: June 4, 2018 (Estimated)

Project Site Location: Pascagoula, MS

PSS will be conducting recruiting events, interviews, and hiring from the following locations: Norfolk/Portsmouth VA, and San Diego CA. (Based on experience, applicants from other U.S. cities will also be considered)

Recruiting/Interviews/Hiring Events:

Norfolk, VA: Wednesday & Thursday, May 30 & 31, 2018

To qualify for this job you must be or have:

1. US Citizen
2. Have a minimum of a High School diploma
3. **Pass a criminal background check, going back 10 years (no warrants or felonies)**
4. **Able to travel domestically within the continental United States (ALL travel and hotel accommodations will be paid by company.)**
5. Possess a pair of steel toed boots
6. Must be extremely reliable throughout the project duration
7. Must have good communication and customer service skills
8. Knowledgeable of basic tools (metal grinders, pliers, wrenches, screwdrivers, etc.)
9. Basic computer knowledge
10. Must be able to carry a minimum of 30-50 pounds for extended periods of time (Length of the shift)
11. Maneuver around ladders, stair cases, and stand for long periods of time
12. Prior military veterans preferred but not mandatory (Civilians always welcome)
13. Strong work ethic (a desire to complete a job once they have started)
14. Must possess OR be able to attend OSHA Maritime certification training

PROJECT SUPPORT SERVICES, INC.

To Keep in Mind:

- >NAVY and/or Coast Guard Vessel/Ship knowledge preferred but not mandatory (Shipyard experience a plus)
- >MUST be able to travel for work, living out of a hotel for 10-20 weeks
- >MUST have knowledge of Hand and/or Power Tools (and know the difference between the two)
- >MUST have experience and be able to work in HOT weather (indoors or out)
- >BASIC to ADVANCED computer knowledge is preferred
- >MUST be able to handle the physical aspects of the job
- >MUST have good-to-advanced communication skills (with prior customer service skills a “plus”)

Responsibilities and Duties:

- Firm commitment to a short term project with a duration of 10-20 weeks
- Travel and work at a remote port city locations throughout the US
- Carry up to 30-50 lbs. working in teams of 2
- Learn how to locate electrical wiring circuits, bulk head penetrations, connectors of various types and configurations
- Locate all types of cabinets, switch panels, and other locations using standard location coding in coordination with frame and longitudinal markings, labels, and cable tags
- Use various techniques and skills to trace circuits once found such as hand over hand cable tracing techniques, mirror image right-left orientation identification when locating a bulk head penetration when traversing across bulkheads
- Identify lockout / tag-outs and possibly perform lockout tag-outs
- Effectively communicate, coordinate, and work with team/crew members and other personnel

If you meet ALL or at least 60% of the qualifications above please apply to job link below with an UPDATED Microsoft WORD version of your resume.
